Chairman: Sue Ellen Jennings,
Sarah Lowe

To Our Wonderful Circle of Supporters,

Get ready—it's that time again! Clear Lake Area Panhellenic Association, a proud nonprofit, is thrilled to invite you to our **39th Annual Scholarship Benefit** happening **Thursday, November 6, 2025**, at the beautiful **South Shore Harbour Resort & Conference Center** in League City, Texas.

Thanks to the generosity of people like you, this event—through the Crawford-Zbanek Scholarship Foundation (a 501(c)(3))—has helped us award over **\$500,000 in scholarships** to incredible young women in our community. In 2024 alone, we granted **four new 4-year scholarships** to bright Bay Area students who might not have had the means to attend college otherwise. Amazing, right?

This year's theme is **A Journey through Sand and Stars** and we're beyond excited to have the fabulous **Lenny Matuszewski** back as our event producer. Get ready for a sparkling fashion show featuring the season's hottest styles, courtesy of our longtime friends at **Dillard's Baybrook Mall**. Add in a tasty lunch, lively live and silent auctions, and a can't-miss raffle, and you've got the recipe for one unforgettable afternoon!

Of course, an event this fabulous doesn't just happen on its own. While our incredible volunteers pour their hearts into making the magic happen, we absolutely rely on your help to pull it all together. Included with this letter is a donor form outlining all the ways you can get involved.

Whether you'd like to contribute as an **underwriter or sponsor**, donate items for our **live or silent auctions and raffle**, or place an ad in our **fashion show program** to spotlight your business, there's a perfect way for you to support. And don't forget—**buy a ticket or reserve a table** and join us for a fun-filled afternoon, all for a cause that truly matters.

We can't thank you enough for being part of our mission. Your generosity helps make college dreams come true for so many deserving young women in our community. You're truly making a difference—and we're so grateful.

With heartfelt thanks,
Stacy Lyon & Laurie Vaughn
